

## **RxSight to Participate in the Ophthalmology Day at BTIG**

November 18, 2021

ALISO VIEJO, Calif., Nov. 18, 2021 (GLOBE NEWSWIRE) -- (**NASDAQ: RXST**) RxSight, Inc., an ophthalmic medical device company dedicated to improving the vision of patients following cataract surgery, today announced plans to participate in the upcoming virtual Ophthalmology Day at BTIG.

RxSight's management is scheduled to participate in a fireside chat Tuesday, November 30, 2021, at 8:30am PT / 11:30am ET. Interested parties may access a live and archived webcast of the presentation by contacting your BTIG representative with interest.

### **About RxSight, Inc.**

RxSight, Inc. is a commercial-stage medical technology company dedicated to improving the vision of patients following cataract surgery. The RxSight Light Adjustable Lens system, comprised of the RxSight Light Adjustable Lens (LAL®), RxSight Light Delivery Device (LDD™) and accessories, is the first and only commercially available intraocular lens (IOL) technology that enables doctors to customize and optimize visual acuity for patients after cataract surgery. The LAL now features ActivShield™ technology, a revolutionary UV protection layer built into the lens. Additional information about RxSight can be found at [www.rxsight.com](http://www.rxsight.com).
